

I have received the May 30, 2006 report relative to public liabraries. The City of Dixon listed as an afected agency. In point of fact, the City of Dixon has no governmental relationship to the Dixon Public Liabrary. The Jury report, Finding #2, is incorrect in that the Dixon Public Liabrary is not operated by City of Dixon. There is a separated Liabrary Board which is associated with the Dixon Unified School District.
