GRAND JURY

RE: Response to 2009-2010 Grand Jury Report entitled:  
**Solano County General Services Department  
Animal Care Services Division**

Dear Judge Daniels:

**Finding #1** – Since 2003, the contract obtained from PetData, Inc. has provided significant funds to Solano County through the capture of increased revenue. This is a prime example of the positive aspect of contracting for services.

***Response to Finding #1***

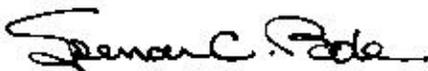

***The Department of General Services agrees with the finding.***

**Recommendation #1** – Solano County should continue its efforts in outsourcing contracted services.

***Response to Recommendation #1***

***This recommendation requires further analysis to determine what other services may be contracted out or outsourced.***

Sincerely,

  
Spencer C. Bole  
General Services Director
