SOLANO SUPERIOR COURT'S JUDGE POWER TO RECEIVE DISTINGUISHED SERVICE AWARD

Fairfield, California – The Judicial Council of California announced that Judge David Edwin Power will receive the Distinguished Service Award at the Council's August 20, 2015 meeting. This award is the highest honor given by the Judicial Council and recognizes those who have demonstrated extraordinary leadership and made significant contributions to the administration of justice. Judge Power is receiving this award for his leading role in facilitating council oversight and management of the largest court facilities program in the nation. As chair of the council's Trial Court Facility Modification Advisory Committee and as a member of its Court Facilities Advisory Committee and Facilities Policies Working Group, Judge Power has made an enormous contribution to the state's portfolio of more than 500 court facilities for which the council assumed responsibility from the 58 counties in 2002. "We are extremely proud of Judge Power and the sometime difficult work he and his committee have done on behalf of California's judiciary," said E. Bradley Nelson, Presiding Judge.
