**TOLER v. PAULSON, et al.
Case No. FCS036461**

Motion by Defendant AL GARZA for Attorneys Fees

TENTATIVE RULING

The unopposed motion for attorneys fees under C.C.P. section 1021.7 is granted. However, because the motion is unopposed, the court declines to compensate for time estimated by Defendant AL GARZA's counsel to respond to opposition papers, and to attend hearing (the 5 total hours claimed for all activities associated with this motion is therefore reduced to 3 hours). The court therefore awards Defendant AL GARZA attorneys fees in the total amount of \$11,865.00, against Plaintiff TOM TOLER.
