

**DEPARTMENT ONE - JUDGE PHILIP CHAMPLIN  
TENTATIVE RULINGS SCHEDULED FOR  
FRIDAY, JUNE 17, 2011**

**ESTATE ADMINISTRATION PRE-GRANT ORDERS**

**IN RE THE ESTATE OF WILLIAM L. BEEMAN, SR.  
Case No. FPR043554**

First and Final Account and Report of Executor, Petition for Approval and Settlement Thereof, for Payment of Statutory Commission and Attorney's Fees, Expenses of Administration and Creditors' Claims, for Final Distribution of Estate, and for Termination of Estate by Reason of Insolvency

**PRE-GRANT ORDER**

The petition is denied without prejudice. None of the creditors' claims have been approved or rejected as required by Probate Code section 9250 and California Rules of Court, rule 7.401. Furthermore, the decedent's will devises his entire estate to the trustee of the William L. Beeman, Sr. Trust, which is at odds with the proposed distribution of 157 Skyway in Vallejo, California, to William Beeman, II, and Frederick Beeman.

Any amended petition shall include the information required per California Rules of Court, rule 7.403 concerning the creditors' claims and an explanation as to why a distribution of 157 Skyway to someone other than the trustee of the decedent's trust is appropriate. The amended petition shall not be filed until all creditors' claims are disposed of per Probate Code section 9250 et seq.
