**JOEL THOMAS TOLER BAIL BONDS v. NEWELL
Case No. FCS026237**

Motion by Defendant for Attorneys Fees and Costs

TENTATIVE RULING

Insofar as this motion seeks recovery of costs, it is denied, without prejudice to moving party to seek such costs through the filing of a timely memorandum of costs per CRC 3.1700.

Insofar as this motion seeks recovery of attorneys fees, it is granted. The court awards attorneys fees in the amount of \$32,300 to NORMA J. NEWELL, and against JOEL THOMAS TOLER, finding that 129.2 hours were reasonably incurred, at the reasonable hourly rate of \$250.
