*The PEACE Program is an educational program designed to provide information to parents about the divorce and separation process. The purpose is to help parents keep open lines of communication with their partner and children and to make decisions that recognize their children's needs. Through education, the PEACE Program helps parents understand what is happening to them and to their children. Each parent registers for one session, which are two 3-hour classes. The Fairfield-Suisun Adult School has also partnered with the Vacaville and Vallejo Adult Schools to offer classes.*
