11 Juvenile Court Standing Order 2002-11 issued August 1, 2002 is hereby vacated  
12 and reissued as Juvenile Court Standing Order 2011-008, effective July 1, 2011.

13 The Juvenile Court of the County of Solano finds that when children are taken  
14 into protective custody by law enforcement officials or Solano County Health and Social  
15 Services Child Welfare Division social workers due to alleged child endangerment  
16 through the child's exposure to the illegal manufacturing, distribution or use of  
17 methamphetamine or other illegal substance, it is important to determine the extent of  
18 each child's toxic exposure to the chemicals used in the production of the  
19 methamphetamine or illegal drug or to the methamphetamine or illegal drug itself to  
20 ensure that each child's medical needs are met.

21 THEREFORE, IT IS ORDERED that

22 1. When a child is placed into protective custody by Solano County law  
23 enforcement officials or Child Welfare Services Division, due to alleged child  
24 endangerment through exposure or suspected exposure to the manufacture, production  
25 or use of methamphetamine or other illegal substance, or the chemicals involved in the

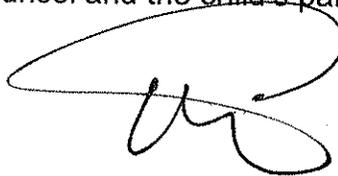

1 manufacture or production of methamphetamine or other illegal substance; at the  
2 discretion of Solano County Health and Social Services, Child Welfare Division that  
3 child may be immediately tested by trained medical personnel to assess the minor for  
4 the ingestion or assimilation of chemicals and drugs. Follow-up medical treatment and  
5 care shall be obtained as directed by the medical personnel.

6 2. The testing may consist of the analysis of urine, blood, or hair, with the  
7 least invasive testing method to be used to secure medically accurate and timely  
8 results.

9 3. Parental consent to such testing shall be sought and such efforts shall be  
10 documented in the case records. However, if no parent or guardian is available,  
11 capable or willing to authorize such medical procedures, a Solano County Child Welfare  
12 division social worker may authorize such testing due to the emergency nature of the  
13 need for medical assessment and treatment, pursuant to Welfare and Institutions Code  
14 section 369(d).

15 4. All of the results and documentation of the medical testing conducted  
16 pursuant to this order shall be deemed confidential; however, such information may be  
17 released to law enforcement officials, the Solano County Health and Social Services  
18 Child Welfare Division, the child's counsel and the child's parents and their counsel.
