

Juvenile Detention & New Foundations Facilities

Issued April 30, 2008

Solano County Probation Department and Board of Supervisors responses to the Grand Jury Report:

Finding #1

A courtroom near the Juvenile Detention Facility is not available. Transportation between sites may create a safety problem.

Probation's Response to Finding #1

This matter is not under the control of the Probation Department. Discussions are currently underway between Solano County and the Solano Courts regarding construction of court facilities at the Juvenile Detention facility site.

Board of Supervisors Response to Finding #1

The Board of Supervisors agrees with Finding #1.

Recommendation #1

Solano County should advocate for court rooms at the Juvenile Detention Facility so that minors do not have to be transported.

Probation's Response to Recommendation #1

This matter is not under the control of the Probation Department. Discussions are currently underway between Solano County and the Solano Courts regarding construction of court facilities at the Juvenile Detention facility site.

Board of Supervisors Response to Recommendation #1

The recommendation requires further analysis and continued discussion with the local courts. The source of funding for construction of additional courtrooms will need to be determined.
