

In regards to the 2005-2006 Grand Jury Report issued June 1, 2006, on installation of filters on computers at Solano County libraries the City of Suisun City has the following response.

Finding #1 – At the time the Grand Jury visited each library, there were no filters on any Internet accessible computers.

Recommendation #1 – With the installation of a filter system, all library staff should keep data to document any violations or circumvention of the program.

City/Department Action – Computers connected to the internet at libraries are not under the jurisdiction of the City of Suisun City.

Finding #2 – The city-operated libraries of Benicia and Dixon have elected not to install filtering systems.

Recommendation #2 – The Grand Jury recommends installation of filters at the Benicia and Dixon libraries.

City/Department Action – Computers connected to the internet at libraries are not under the jurisdiction of the City of Suisun City.
